# 2025 YEAR-IN-REVIEW

“There is no power for change greater than a community discovering what it cares about.”

- Margaret J. Wheatley

As I reflect on the past year at Dover Children's Home, one word comes to mind: resilience. Fiscal Year 2025 was a year of transition, change, and uncertainty. We navigated significant workforce shortages, ongoing staffing transitions, and the daily reality of meeting the needs of young people in an increasingly unpredictable world. Like many nonprofits nationwide, we also experienced a decrease in monetary donations at a time when the need for our services has never been greater.

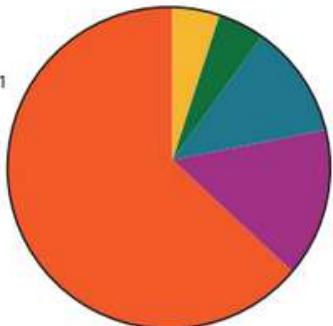

And yet, through all of this, we continue to move forward. Together, we maintained our CARF accreditation, invested in staff training and competency development, expanded community partnerships and resources, created lasting connections within our communities, and strengthened the daily practices that keep our youth safe, engaged, and hopeful for their futures. None of this would have been possible without the steadfast commitment of our staff, board, community partners, volunteers, donors, and friends.

This work is only possible because of you, our community. Your support allows us to continue this mission of care, connection, and transformation.

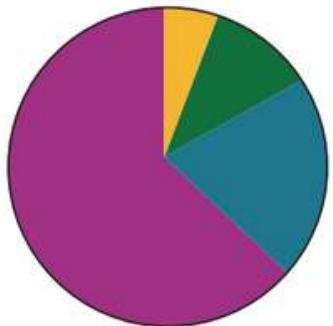

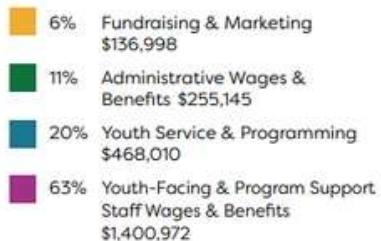

*-Renee Touhey-Childress, LICSW  
Executive Director*

## About

### What is NH Gives?

**NH Gives** is a 24-hour online fundraising event designed to connect donors with local nonprofits working to strengthen New Hampshire communities. It's the state's largest day of giving, providing an easy and impactful way to support the causes you care about most. **Dover Children's Home** is excited to participate in NH Gives again for its 5th year! This year, we were able to raise \$4,235 in funds to provide fun opportunities, activities, and day trips for summer programming.

### How to Participate

The fundraiser is available to donors beginning at 5:00 pm on June 9, 2026 to 5:00 pm on June 10, 2026. Before the big day, fundraisers encourage people in their networks to donate what they are most comfortable with. ANYTHING helps and is much appreciated!

### Matching Sponsorships Available!

In the amounts of \$1,500, \$3,000, and \$6,000

[Contact Lauren Petraitis for more information](#)

### What is Peer-to-Peer Fundraising?

Gathering fundraisers (board members, volunteers, staff, development committee members, etc.), to share their involvement to Dover Children's Home and connect with their own circles to reach more people as donors. The NH Gives P2P Fundraiser is one of our larger fundraising events and a great opportunity to get more members in the community involved!

### Matching Donations

Matching donations are a powerful way to double the impact of contributions. For example, if a business commits to matching donations up to a certain amount, every dollar donated by individuals during the event will be matched, effectively doubling the total contribution. This approach not only increases the funds raised but also encourages more people to donate, knowing their contributions will have an even greater effect.
